Info

2021 Pathfinder Boats 2005 TRS

Oversized versatility in a manageable package.

Welcome to 20.5 feet of great possibilities. Designed in every way to maximize opportunity and minimize hassle, the new Pathfinder 2005 TRS fits big bay boat performance in a manageable package. A higher exterior freeboard, a roomy cockpit, and 16 degrees of deadrise make running and fishing in big water safe and comfortable. Add to that raised casting decks and plenty of storage, including undergunwale rod racks and in-deck boxes big enough for 5-gallon buckets, and this boat will out fish its size every trip. Integrated aft jump seats, fore and aft coolers totaling over 120 quarts, and a forward entry console with tackle storage finish the lengthy list of standards. Feature packed yet economically packaged with a F115, the new Pathfinder 2005 TRS puts all the water has to offer within easy reach.

Features may include:

Fishing

- * Console rod rack (2, 3-bank)
- * Flush-mount gunnel rod holder (2)
- * Locking storage (port & stbd)
